

2019 Contribution Policy

There are thousands of worthy charities. As a small North Carolina Company, we prefer to combine our efforts with the limited resources of small local organizations that use 100% of funds raised to benefit the community. Some Examples: Hospice, Burlington Animal Shelter, Little Pink Houses of Hope, Make-a-Wish, and the Arts [Painting, Sculpture, Classical and Old-Time Music]

If you feel that your organization meets the stated criteria, please fill out this Contribution Form and submit it to the Brewery at least 30 days prior to your scheduled event. (Use back if more room is needed)
